

**Minutes of the 30<sup>th</sup> PAB Meeting under ICPS held on 22<sup>nd</sup> November, 2011 to discuss the Annual Financial Proposal of Maharashtra.**

The Thirtieth meeting of the Project Approval Board (PAB) for ICPS was held under the Chairmanship of Secretary WCD, on 22<sup>nd</sup> November, 2011 to consider the financial proposals for release of grants for 2011-12 to the State of Maharashtra. List of participants is annexed.

2. At the outset, Chairman welcomed all the officers present and invited Principal Secretary, Department of WCD, Maharashtra to present the perspective of the State with regard to Child Protection, and their financial proposal under ICPS.

3. **Service Delivery Structures:** The State informed that SPSU has been set up and full staff has been appointed. It was informed that MOA and Bylaws of SCPS have been approved by the State Government and will be notified in a few days. SARA and DCPS will be registered by mid December, 2011. However, the Staff in SCPS, SARA and DCPS would be appointed by the end of December, 2011. Training of DWCD officers has been conducted with the help of TISS and UNICEF in the month of November, 2011 with respect to issues related to registration of homes under JJ Act 2000, inspection visits, quality care, development of care plan, issues related to special need children, conversions of services of different department.

4. **Statutory Structures:** The State informed that CWCs/JJBs have been set up in all 35 districts. The State was asked to ensure that appointment of Chairman and members in the CWCs is done by Selection Committee as laid down in the Juvenile Justice Act, 2000. It was informed that Magistrates and other members have been appointed in all JJBs as per Juvenile Justice Act, 2000. 3107 cases were pending with CWCs and 17199 cases with JJBs in March, 2011. In view of this sittings of the CWCs and JJBs have been increased. The High Court appointed monitoring committee under Hon. High Court judge takes periodic review for pendency of cases in JJB. Special Lok Adalat has been set up to reduce the pendency cases in JJBs as well. The State Advisory Board has been established under the Chairmanship of retired High Court Judge. Special Juvenile Police Units have been set up in all 35 Districts.

5. **Institutional Care:** The proposal for Government and NGO run Homes, under Institutional Care was discussed. The State informed that out of 1170 CCIs in the State, 856 CCIs have been registered under Juvenile Justice Act, 2000. For the remaining 314 unregistered Homes, the process is in progress. PAB noted that the State has rationalized

the number of homes, as suggested in previous PAB and submitted a reduced number of homes this year, i.e. 69 NGO run Homes against 692 for which grant was released last year.

Grants have been requested for these 69 NGO run Homes and 44 Government run Homes, all registered under the JJ Act, 2000. However, it was noted that there are still many Observation Homes where capacity utilization is very low. It was clarified by the State that 3 of the Observation cum Children Homes are under repair and children are temporarily shifted to other homes. PAB noted that the NGO run Homes are, however, over utilized. The State clarified that CWCs prefer to send children to NGO run Homes. PAB advised the State that CWCs should be advised to send children preferably to the Government run Homes so that every Home is optimally utilized.

The State informed that there are 25 Homes for Special Needs Children located in remote areas of State for which financial assistance is required. PAB felt that mentally challenged children, if without family support, should be kept with other children in the Home, except for the acute mentally challenged children. It was also clarified to the State that these Homes, if only for disable children, should be covered under disability Schemes run by Ministry of Social Justice and Empowerment.

The State informed that Hotel Management Institutes and Hotels are willing to train and recruit the children of Homes but since these Institutes are not registered training institutes, State Government is not sending children to these Institutes. Chairman agreed that the State Government may send children to these Hotel Management Institutes as the children will get employment opportunities. The State was advised to these courses with courses of Ministry of Labor and Employment/ National Skill Development Programme (NSDP).

The formation of District Advisory Boards is under process. As per JJ Act these Boards will also act as Inspection Committee's for Homes.

**6. Non - Institutional Care:** The Adoption Recommendatory Committee has not been set up in the State which should be expedited.

Secretary-CARA informed that of the 58 SAAs in the State 23 are Recognized Indian Placement Agencies (RIPAs). Out of these 58 SAAs, 7 SAAs are not reporting on CARINGS. The State was asked to ensure that all SAAs must fill adoption data on CARINGS. It was informed that there are 17 NGO run Specialized Adoption Agencies which are receiving grants under ICPS. 779 in-country and 247 inter-country adoptions have taken place during 2010-11.

7. PAB urged the State to submit information on implementation of JJ Act, 2000 and monitoring formats.

**8. Decisions taken by the Board:**

8.1 **SPSU:** PAB approved recurring grant for 7 months (from September, 2011 to March, 2012) in the current financial year.

8.2 **SCPS, SARA & DCPUs:** In principle approval was given for these structures for grants for 4 months (from December, 2011 to March, 2012) subject to confirmation of appointment of staff.
